### **"WEATHERED" RETURNS TO KENNER & HEADLINES SECOND WEEK OF "MUSIC AT THE LAKE"**

**"Weathered"** will be the second popular band to entertain at Kenner's Music at the Lake **Saturday, May 17**, from **6:00 to 9:00 p.m.** at the **Laketown Meadow**, where Williams Boulevard meets Lake Pontchartrain.

This five-piece band has proclaimed itself "one of the most electrifying cover groups to come out of the New Orleans area". The musicians responsible for the popularity of **Weathered** are **Jim Hanley** on vocals, **Tom Richard** on drums, **Marc Matranga** on bass and vocals, **Al Teppen** on the lead acoustic and electric guitar and vocals, and **Drew Bourque** on acoustic and electric guitar, keyboards, and vocals.

Their music covers a wide variety of hits from the 80's to today, creating a perfect mixture of rock, pop and dance. When attending a "Weathered," show you'll hear music from musicians ranging from the Beastie Boys and Bon Jovi to Garth Brooks and Prince.

**Weathered** has often played at private functions, small clubs and large events. The group has appeared at several recent events -- the Our Lady of Devine Providence and Our Lady of Perpetual Help church fairs and at Hurricane's and New Orleans Original Daquiris. On April 19, **Weathered** headlined Kenner's Music at the Park concert in Rivertown.

Also, the band was recently honored by "Where Y'at" Magazine readers who voted it 2007's "Best Cover Band for the Best of the Big Easy Awards".

Expect a great show. Come on out to Lake Pontchartrain at Williams Boulevard to see and hear "Weathered"; bring the kids and camp chairs, and enjoy the food and crafts being sold by local vendors

Appearing at Laketown the following Saturday, **May 24**, will be longtime favorite – **The Nobles**.
