

*Monday 5/2/11*

Weathered Friday, May 20, 10 PM Hurricanes Sports Bar and Grill, 1414 Vets., 287-0351

Get on down to Hurricanes in Metry for the sextet named "Best Cover Band for 2007 and 2008" by *WHERE Y'AT Magazine*. Vocalists Jim Hanley and Rebecca Newell, Keyboardist/Guitarist Drew Bourque, Bassist Marc Matranga, Lead Guitarist Al Teppen and Drummer Tom Richard are a force of nature to be reckoned with when it comes to rock, pop and dance music on any stage. Weathered floods every venue with a torrent of song faves from the 80's and 90's to what's happening now. No need for any Cone of Uncertainty around the third Friday in May. Get da "Who Dat Fever" to the tune of "I'm a Believer", circle May 20 on your calendar, pack your car and head to Metry where Weathered will make waves through the crowd until the dancing blows over.—Dionne Charlet
